A Message from key school bodies

Mr Paul Maher

Regional Principal

The sun has well and truly set on 2019, so it is time to recognise our achievements and commend many people that make OneSchool Global SA a great place to teach & learn! The 2019 school year brought with it many challenges, but it also produced many successful outcomes for OneSchool Global SA. Academically, our **NAPLAN** results showed solid growth in most key areas for our Year 3, 5, 7 & 9 students, supporting our improved Grade Point Average across the course of the year and outstanding **MAP Growth** results. Our Year 12 students once again achieved solid results in their **SACE** and **ATAR**, which is included later in the report.

Our staff and students of OneSchool Global SA have come a long way over the past few years, embracing the *Learning 2 Learn Framework*, and aligning with our signature Self-Directed Learning pedagogy. Students are becoming more accustomed to using online systems such as Canvas, learning in the Virtual Classroom using Zoom, and working on their Study in the Learning Centre, and they are taking far more responsibility for their own learning journey. We look forward to further improvements and understanding of the *OneSchool Global Vision* next year and beyond.

Fundamental to the growth and success of OneSchool Global SA in 2019 was the leadership of our District Principal, Mr Traeger, who was very capably supported by our Mt Gambier Head of Campus, Ms Jacquelyn Sharp as part of the Senior Educational Leadership Team. Both young and fresh-faced leaders, they possess a can-do and proactive attitude and a genuine care for the educational outcomes of our students. We look forward to their leadership continuing to grow and them having an ongoing impact at OneSchool Global SA in 2020.

Our end of year *Recognition of Excellence Ceremony & Year 12 Graduation Ceremony* held on Wednesday 11th December was a resounding success. It was great to acknowledge the outstanding achievements of our students and witness some outstanding Performing Arts at the *FLAIR19 Talent* show. Although very much a team effort, special thanks must go to Mr Traeger, Ms Leah Skuse and the *Student Leadership Team* for their hard work pulling this event together.

Looking back....

Cross-campus Visits were again a big factor in the success of our teaching team and the learning outcomes of our students. CCVs afford our staff

and students the opportunity to collaborate with their teachers and peers from across the state, and interstate! The Zoom platform took intercampus learning to another level, however, we are continually providing training to our staff in the Virtual Classroom to ultimately improve and enhance the VC experience for our students.

The *Challenge of the Mount Colour Run* was once again an overwhelming success, and kudos must go to Ms Sharp and the entire Mt Gambier team for pulling together such a wonderful day of collaboration and fun. Our students have also taken part in various educational incursions and excursions to further develop their understanding of their courses, including the annual trip to Canberra where our students received positive feedback regarding their exemplary behaviour. The *Athletics Carnival* in Adelaide was once again an excellent, bringing students together from both campuses to compete for their House Team! Congratulations to *TROOPERS* for taking out the Athletics Carnival in 2019!

Farewell...

It was with disappointment we said goodbye to Mr Clive Shepherd at the end of 2019 after a brief stint as District Principal, who transferred to the Gold Coast with his family. Mrs Renate Witte also departed OneSchool Global SA to take on other challenges, and we thank both Mr Shepherd and Mrs Witte for their contribution to our school.

Acknowledgements....

I would like to take this opportunity to thank the *2019 Student Leadership Team*, particularly for organising many of the school assemblies and fundraisers throughout the year. The SLT should be proud that many of their ideas and teamwork helped shape the direction and positive culture of the school. Thanks also to the entire

student body, it is pleasing to see our students try their best academically and support and drive the many events and aspects of school life.

Like many OneSchool Global campuses, a strength of OneSchool Global SA is the support and help from **parents and community members**. Thank you to all members of the community who assist with the canteen, work at the uniform shop, volunteer for excursions, help with fundraisers, help with busy bees and all of the other behind the scenes tasks that may sometimes go unnoticed. We appreciate your support of the school and we look forward to the ongoing support from parents and community members in 2020.

A big thank you to **CA Teams** at both campuses. Your direction and guidance for our campus leadership team and the teaching staff has been outstanding and much appreciated. Similarly, to the **OneSchool Global SA Board**, on behalf of the staff I would like to thank you for your direction, guidance, support and leadership during 2019. We very much appreciate all the time you volunteer to ensure our school is functioning efficiently and effectively.

And to our staff – **Teachers, Student Support Officers and our administration staff**, thank you for all your efforts over the course of 2019. We look forward to 2020 with energy and enthusiasm as we seek to further develop our SDL pedagogy and continued implementation of the *Learning 2 Learn Framework* and ultimately improve the learning outcomes for our students in this rapidly changing world, in order to achieve the OSG Vision to prepare **life-ready students**. We are privileged to have great staff here at OneSchool Global SA, team players who are in the profession for all the right reasons – the growth and development of our students!
