### 1. POLICY STATEMENT

#### 1.1 INTRODUCTION

- 1.1.1 OneSchool Global UK is committed to maintaining the highest standards of child safeguarding in accordance with all relevant legislation and guidance. As a Campus we recognise that protecting children is a golden thread to all we do, and that safeguarding is at the heart of the school. Those using this policy must recognise their responsibility and the wider implications of safeguarding in the promotion, prevention and protection of children within the context of this document.
- 1.1.2 OneSchool Global UK positively supports individuals with learning development needs and ensures that no student is prevented from accessing a broad and balanced curriculum. Staff will work collaboratively with colleagues from learning development services and other organisations, in order to ensure that students have a positive and progressive educational experience.

#### 1.2 POLICY PRINCIPLES

- 1.2.1 Students will be admitted at the age of 7 (Primary) or 11 (Secondary) without reference to general ability or aptitude subject to an approved application.
- 1.2.2 OneSchool Global UK have adopted the principle of inclusion. Although there may be some children whose needs, we are unable to meet, we wish to include as many children as possible.
- 1.2.3 Parents of students with any type of disability and/or special educational need are encouraged to contact the Campus Administrator (CA) well in advance of their child's anticipated entry to the Campus, in order to discuss their child's individual needs. This is so that, with parental permission, an assessment can be arranged with the SENDCo and the needs of the child can be fully identified. The SENDCo will attend training courses to ensure the Campus provides appropriate support to all students as appropriate.

- 1.2.4 A copy of the Admissions Policy will be made available upon request via the main office.
