About OneSchool Global UK

OneSchool Global is a global school, with over 130 campuses in 20 countries, including cities such as New York, Paris, Sydney, Rome, Auckland, Copenhagen, Los Angeles and San Francisco.

With an innovative approach to learning, delivered in cutting-edge, technology-empowered physical and digital learning environments, OneSchool Global is preparing life-ready students who learn how to learn.

Our self-directed learning model places students at the centre of all that we do. We challenge traditional and dated pedagogy and embrace technology to deliver the best possible learning outcomes for our students.

OneSchool Global recruits and develops high quality teachers. Our teachers partner with our students in their learning and rather than being considered the 'sage on the stage', play a 'guide on the side role' to support students.

Our in-house Teacher Academy provides teachers with the training they need to be the best they can be. We provide teachers with the skills they need to be successful at OneSchool Global and skills that will make them highly capable and competent in teaching in a digital world.

OneSchool Global is a school that lives its values and is guided by the School's ethos. The School is generously supported via the donation of time and financial support from members of the Plymouth Brethren Christian Church.

OneSchool Global Ethos

At OneSchool Global, we are committed to a culture where students are encouraged to develop their full potential and acquire the discipline of learning how to learn while upholding Christian teachings and beliefs.

The truth and authority of the Holy Bible and strong family values underpin the commitment of the School to provide quality in every facet of education - curriculum, teachers, facilities, management, and discipline - in a safe and caring environment.

OneSchool Global Vision Statement

A global education ecosystem that develops life-ready students who learn how to learn and achieve.

To ensure our students are life-ready, we need to teach differently. To be life-ready in today's world, our students need to learn how to learn. To be life ready, our students need to develop independent and critical thinking skills, and skills such as teamwork and collaboration

It is these skills that form an aptitude base that allows a student to adapt. Most importantly, these critical skills are transferable. When industry changes, when entire fields of work and job types are no longer required, it will be the life-ready, critical thinkers who stand the test of time and find new ways to add value.

We are prepared to do things differently at OneSchool Global to deliver on this vision. We challenge traditional and outdated pedagogical models. Our learning centres, the way we embed technology in them, and ultimately our students, are a testament to this.

OneSchool Global Mission Statement

“Learning to Learn”

The School is committed to creating and delivering learning programmes that meet the educational needs of each student, and to nurture the attitudes and skills necessary for the continual learning and personal growth throughout life.

“Learning to Learn” means to use learning as a tool whereby students are equipped with the ability to think critically, process information perceptually, analyse data accurately, and evaluate situations intelligently in order that they fulfil their true potential.

OneSchool Global Values

At OneSchool Global each student, parent and staff member shall uphold the values of the School which include:

Integrity – uprightness, honesty and decorous conduct, governed by the Holy Bible,

Care and Compassion – kindness, consideration and generosity to all,

Respect – for all people, property, opinions and those in authority,

Responsibility – for our actions, progress and the environment and,

Commitment – to self-discipline and the pursuit of excellence.

Welcome Message

Welcome to OneSchool Global UK Swansea Campus

A school committed to the OneSchool Global vision. Operating as a through school, from Years 3-13, we offer a balanced curriculum to ensure our students leave 'well-rounded', having achieved a quality education, are career-ready and in a position to maximise potential in their chosen work placement.

In 2015 we were privileged to be one of five Focus Schools to have a 'Learning Centre' installed, which has become a vibrant hub of the school day.

The self-directed learning concept has caused an incredible culture change in the environment of the school – driven, inspiring, creative, flexible, resultful – the students love it! Strong links have been built with other Focus Campuses through delivery of subject lessons through Video Conferencing (VC).

Our aim is to reach to a level of 'Excellence in Education' through a cutting-edge delivery from our teaching team. We are confident the students will respond, so we are committed to ensure they have their own personal vision to 'be the best they can be'. Please come and see us in action!

Mr Clive Marsh
Lead Campus Administrator

Our History

OneSchool Global UK Swansea Campus started out in September 2003 as Focus School Swansea Campus, Keystone Education Trust, situated on the first floor of a business premises, with just 16 students from Year 7 to 12. The school grew, in every sense of the word, and in September 2005 we purchased a large modular building, located on the land at the rear of the premises and the school moved in. This site was expanded over the following 9 years with an assortment of other portable cabins.

In 2010, we acquired an old Victorian school building, just 8 miles from our Secondary school site, and opened a Primary department.

In 2014, we were thrilled to trade-in our cabins and ageing Victorian Primary school for a solid 3-storey concrete structure, an ex-fire service building. Our Primary and Secondary departments merged to become one school, Years 3 to 13 we now have 37 pupils for the academic year 2020/21.

The Global House System

The Global House System is based around the ethos of inclusion and encouraging teamwork.

It is designed to reward academic work, effort, sporting achievements and good citizenship. It is the role of the House System to embrace all students and provide a climate of success for all.

The Global House System consists of three houses each with an assigned colour as shown below. These houses are run globally throughout our affiliated schools, meaning that we can encourage teamwork with other regions, not just within our campus, thus enhancing our students' desire to strive for their best, due to a much wider area of healthy and constructive competition.

Each student is assigned to a House and will normally remain in that House for his/her duration at the campus. Many house events and competitions are run which link to learning and help foster both teamwork and self-directed learning skills. The Global House System encourages healthy participation in activities and is well supported by staff and student leaders.

Charitable Fundraising

At Swansea Campus the whole community is committed to helping those less fortunate than ourselves.

There is a strong, student-led culture for fundraising and charity at Swansea Campus. The majority of fundraising initiatives are student-led, with representatives from our student council coming up with ideas for school-wide events. Not only does each initiative raise hundreds of pounds for charity, but it also gives students valuable experience in organising and leadership skills.

Charitable donations made recently include:

- ✔ Fairtrade
- ✔ Adref (homeless charity)
- ✔ Kids Cancer Charity
- ✔ Ty Hafan
- ✔ Guide Dogs for the Blind
- ✔ Wales Air Ambulance
- ✔ Macmillan
- ✔ Cancer Research UK
- ✔ The Noah's Ark Appeal (Children's hospital)
- ✔ George Thomas Hospice
- ✔ Shoebox Appeal (Blythswood Charity)

“

It was a real pleasure to teach at your school...your pupils were superb!

Our Curriculum

...wholly supports the School's ethos in promoting Christian values and provides a balance, ensuring students develop academically, aesthetically, morally and physically.

Swansea Campus has adopted the Curriculum Policy developed by OneSchool Global UK. The curriculum is designed to ensure that every student can realise their potential. The curriculum is assignment-based, enabling the self-directed ambition of the organisation to be fulfilled. All students follow a personalised and challenging curriculum.

Years 12-13

All of our students progress to the sixth form and are offered a broad range of curriculum options designed to meet the abilities and aspirations of all our learners.

A Level qualifications are offered in Art & Design, Design & Technology, English, History, Geography, Mathematics, Accounts, Law,

Business Studies, French and German, Environmental Science and Global Perspectives alongside Cambridge Technical qualifications in IT, Digital & Creative Media and Business (Accounts or Marketing pathways) and a range of Level 2 qualifications.

Additional subjects include Physical Education and PSHE, while courses such as Chef Skills, LAMDA Speaking in Public, London Institute of Banking and Finance and Extended Project Qualifications are available to students

Digital technology, including Zoom and Canvas platforms enable campuses to collaborate with other schools for subject delivery which enables students to study subjects that would not normally be economically viable

The Careers Advantage Programme also adds a unique and high quality vocational element to our curriculum which supports all students in gaining a better understanding of their career pathway and progression routes helping to ensure they are life-ready on graduation from OneSchool Global UK and excited about embarking on future post graduate qualifications.

Extra-Curricular activities are a strength of our school. Our students have the opportunity to collaborate on extra-curricular projects and activities at campus and regional level. Recent highlights including our termly Choir Festival, annual Public Speaking Competition and inter campus debating opportunities. Our extra-curricular offer is a key part of our curriculum and an area of continuous growth and development for OSGUK.

OneSchool Global Awards

The aim of the OneSchool Global Awards programme is to motivate students to achieve across a range of personal and academic qualities. It is a citation based reward system which acknowledges exemplary student behaviour in relation to our values and skills.

The main focus for awarding a citation is based on OneSchool Global Values
Integrity, Care & Compassion, Respect, Responsibility, Commitment.

The value is demonstrated through a OneSchool Global Skill
Academic Achievement, Leadership, Involvement in School Activities, Diligence, Management Skills.

Integrity

Care & Compassion

Respect

Career Advancement Programme

Bridging the gap between school and work; OneSchool Global UK offer a unique career advancement plan to all our students and this is proven to prepare them for the world of work:

What is CAP?

The Career Advantage Programme (CAP) provides all students with the opportunity to gain the skills and aptitude to achieve rapid success in their post-school careers.

The CAP does this by:

- Providing Career Fundamentals and Business Foundations courses offered to all students in Year 12 and 13
- Analysing the capability of each student professionally to ensure the student can effectively complete the courses
- Sponsorship for students to carry out extra-curricular studies in the last two years of school.

The CAP curriculum

All students in Year 12 complete a Careers Fundamentals course which is a global standard for employers. For CAP students, the diploma-type courses provide a theoretical and academic rigour which underpins the students' academic programme and the career skills-based study provides practical, real-world approaches to learning and helps them to develop skills and competencies required for lifelong learning.

Beyond the classroom

Why is CAP Important?

There is an increasing awareness globally that high school studies alone are not adequately preparing students for the modern workforce. The Career Advantage Programme is aimed at equipping our children with the necessary skills to bring positive benefits to our businesses from day one.

Important for students:

- ✓ improving their employment opportunities
- ✓ improving the potential of earning a higher income on graduation
- ✓ empowering rapid progress along their career path

Important for businesses:

- ✓ higher value employees that are useful from day one
- ✓ employees with an established work ethic; self-starters, self-finishers, self-motivators
- ✓ employees that understand the value of study and training

"Cap is a win-win concept for employers and employees alike. When employing young people, readiness for the 'real world' of work is one of the biggest challenges. With Cap a business has invested in a student and the student has completed 100 hours of paid work experience per year. This means the work experience is taken seriously and is long enough for the student to do real work in a number of meaningful roles. The result is a student with a much better idea of what career choices they may wish to pursue and greater focus as a result. The benefits of this to employers quickly become evident, as school-leavers enter the workplace ready to hit the ground running"

Policies and Documents

Swansea Campus is committed to the safeguarding and protection of its students in line with national guidance.. We endeavour to provide a safe and welcoming environment where all children are safe, respected and valued, as well as being underpinned by the following two key principles:

- ✔ A child-centred approach; for services to be effective they should be based on a clear understanding of the needs and views of children.
- ✔ Everyone employed and who comes into contact with children at Swansea Campus has a responsibility in relation to safeguarding.

At Swansea Campus we listen to students and maintain a child-centred approach to Safeguarding and Child Protection. We provide a safe environment for students both under and over 18, especially those who are considered vulnerable. It's a fab place to work and I look forward to coming here every day. The old saying 'Choose a job you love and you'll never work a day in your whole life' is never truer than here as it's a complete privilege to contribute in an environment like this one.

Teacher

I find that my children are engaged with learning and enthused about school.

Parent

Our school is very unique from other schools in the area as it has taken on the concept of self-directed learning. As a result it has an outstanding culture of excellence and an unparalleled work ethic.
