A Message from key school bodies

Mr Paul Maher

Regional Principal

The sun has well and truly set on 2021, and the continuation of the global pandemic ensured it was another challenging year in the education sector. At OneSchool Global WA we were once again extremely well-equipped to continue the teaching and learning program, despite the interruptions.

oking back....

As much as COVID-19 brought with it many challenges for schools, OSG WA also produced many successful outcomes in 2021. Our Year 12 students once again achieved solid results in their **WACE** and **ATAR**, which you can read about further into the report. Our **MAP Growth** testing platform also continued to be a wonderful tool to measure academic progress of our students and, as always, the majority of our **NAPLAN** results were above national averages.

Our staff and students of OneSchool Global WA continue to embrace the **Learning 2 Learn Framework**, and our signature **Self-Directed Learning** pedagogy. Students are well-accustomed to using online systems such as Canvas, learning in the Virtual Classroom using Zoom, and working on their Study in the Learning Centre, and they are taking far more responsibility for their own learning journey. The Tutorial also became a strong feature of the Learning to Learn Framework.

Our end of year **Recognition of Excellence Ceremony & Year 12 Graduation Ceremony**, held on Thursday 9th December, was a resounding success. It was great to acknowledge the outstanding achievements of our students and witness some entertaining musical items.

Cross-campus Visits were again a big factor in the success of our teaching team and the learning outcomes of our students. CCVs afford our staff and students the opportunity to collaborate with their teachers and peers from across the state, and interstate! Our students have also taken part in various educational incursions and excursions to further develop their understanding of their courses.

The **Lightning Sports Carnival** in Northam and the **State Athletics Carnival** in Perth were once again excellent events, bringing students together from all campuses to compete for their House Team! Congratulations to **WARRIORS** for taking out the Athletics Carnival in 2021!

“Children are the world’s most valuable resource and its best hope for the future’

Acknowledgements....

I would like to take this opportunity to thank the **2021 Student Leadership Team**, particularly for organising many of the school assemblies and fundraisers throughout the year. The SLT should be proud that many of their ideas and teamwork helped shape the direction and positive culture of the school. Thanks also to the entire student body, it is pleasing to see our students try their best academically and support and drive the many events and aspects of school life.

Like many OneSchool Global campuses, a strength of OneSchool Global WA is the support and help from **parents and community members**. Thank you to all members of the community who assist with the canteen, work at the uniform shop, volunteer for excursions, help with fundraisers, help with busy bees and all of the other behind the scenes tasks that may sometimes go unnoticed. We appreciate your support of the school and we look forward to the ongoing support from parents and community members in 2021.

A big thank you to **CA Teams** at all campuses. Your direction and guidance for our campus leadership team and the teaching staff has been outstanding and much appreciated. Similarly, to the **OneSchool Global WA Board**, on behalf of the staff I would like to thank you for your direction, guidance, support and governance during 2021. We very much appreciate all the time you volunteer to ensure our school is functioning efficiently and effectively.

And to our staff – **Teachers, education assistants and our administration staff**, thank you for all your efforts over the course of 2020. We look forward to 2021 with energy and enthusiasm as we seek to further develop our SDL pedagogy and continued implementation of the *Learning 2 Learn Framework* and ultimately improve the learning outcomes for our students in this rapidly changing world, in order to achieve the OSG Vision to prepare **life-ready students who learn how to learn and achieve**. We are privileged to have great staff here at OneSchool Global WA, team players who are in the profession for all the right reasons – the growth and development of our students!

Contextual information about the school

OneSchool Global WA is an independent, co-educational school which operates in a network of Brethren Schools nationally and globally. OneSchool Global WA has an enrolment of 249 students across 5 campuses in Western Australia which are located in Willetton, Cunderdin, Dalwallinu, Albany and Gnowangerup.

Enrolment at the school is open to the children of all Brethren families and children of families who are willing and able to support the ethos of the School. OneSchool Global WA has a rich academic program which is supported by an extensive ICT blended mode of teaching and learning. OneSchool Global WA also offers a vibrant Co-curricular program which includes sport, music and community involvement.

School Ethos

At OneSchool Global, students are encouraged to develop their full potential and acquire the discipline of learning how to learn, while upholding Christian teachings and beliefs. The truth and authority of the Holy Bible and strong family values underpin the commitment of the School to provide quality in every facet of education – curriculum, teachers, facilities, management and discipline – in a safe and caring environment.

Values Statement
