A Message from key school bodies

Mr Brock Traeger

District Principal

The 2021 school year was another successful chapter in the growing history of OneSchool Global South Australia. While our students and staff faced another year impacted by the challenges of the global pandemic, we continued to refine our practices and thrived in the ever-changing space of education. With challenges, it provides opportunities for growth, development, and self-reflection. Not only for the students but also for the organization of OneSchool Global SA. The students continued to perform well in our MAP (Measures of Academic Progress) and NAPLAN testing results, with our school receiving commendation for our literacy in Year 7 and Year 9 results. Our Year 12s also produced sound results, all obtaining their SACE but with room for improvement in our ATAR results for 2022.

Our greatest strength in 2020 was our collaboration with our partnered schools in Western Australia. In 2021, this partnership was again pivotal in the education, leadership, and management of the impacts of COVID. However, 2021 saw our partnership expanding further into a truly National model. Our Regional Principal, Mr. Paul Maher, expanding his leadership across Queensland, Western Australia, and South Australia, which will provide a greater consistent approach

Nationally and further opportunities for future collaboration.

To further align nationally, key curriculum areas have been a focus for a number of years, but the successes were evident in 2021. Our Primary and Student Support policies, procedures, and practices were the first to align with common terminologies being used in each state and consistent testing measures that will help further develop our students. In the senior sphere, we have nationally developed courses with the strong involvement of our South Australian teachers in English, Science, and Mathematics. This direction is to allow our teachers to refine and develop their pedagogies with our professionals coordinating best practices.

Our end of year Recognition of Excellence Ceremony & Year 12 Graduation Ceremony held on Thursday 9th December was a resounding success. Parents were allowed back on site and were able to experience the achievement and talent of our students. It was great to acknowledge the outstanding successes of our students and farewell our Year 12 students as they move onto the next chapter in their lives.

Looking back....

On the 24th of February, the OneSchool Global Adelaide Campus held an official

“Children are the world’s most valuable resource and its best hope for the future’

opening ceremony for our incredible Learning Centre with the Hon Minister Gardener unveiling the plaque. I would like to take the opportunity to thank the South Australian Government for the capital grants that made this Learning Centre an actuality.

Over the course of this year, we were still able to have our students out in the wider community and involved in a variety of incredible hands-on learning experiences and excursions.

- Media Arts (Adelaide CBD)
- Squash
- Hamilton Space School
- Adelaide Museum
- Hallett Cove
- Barossa Gold Fields
- Whole School sports event
- Sundrop Farms excursion
- Whole School Basketball excursion
- Girls gymnastics
- Primary planetarium
- Volleyball
- Primary Swimming
- Lawn Bowls
- Adelaide Zoo
- Food Technology - TAFE excursion

The Athletics Carnival in Adelaide was once again an excellent success even with the change of date due to COVID restrictions. Early Term 2 we had our first singular campus Athletics Carnival but that didn’t stop the competition and deter from the atmosphere of the day. Congratulations to TROOPERS for taking out the Athletics Carnival in 2021!

Farewell...

Unfortunately, we had to farewell several of our teaching staff throughout the year. I would like to take this opportunity to thank Mrs Jamie-Lee Myles, Ms Laura Wilson, and Mrs Chloe Manfield for their time spent with the Adelaide campus this year and we wish them all the best in their future endeavours.

We also had two other important teachers leave but for different reasons. Both Ms Robyn Clifford and Mrs Bridget Uppill got to welcome their sons in 2021. Incredible news and we wish them all the best for the next chapter in their personal lives. We look forward to their return to our school in 2022.

Acknowledgements...

I would like to take this opportunity to thank the 2021 Student Leadership Team, particularly for their support and commitment to our school in being the student voice. Our SLT should be proud that many of their ideas and teamwork helped shape the direction and positive culture of the school. Thanks also to the entire student body, it is pleasing to see our students try their best academically and support and drive the many events and aspects of school life.

I would also like to personally thank all the volunteers for their support in their many roles within the school. Our volunteers are here daily supporting the staff to ensure our school runs smoothly from work within the Canteen, transport on excursions, and the efforts of the CA team that work tirelessly behind the scenes to ensure the campus is operating at operative efficiency. On behalf of the professional team at OneSchool Global SA, I would like to say that we appreciate your all your support and we look forward to the ongoing support from parents and community members in 2022.

And to our staff – Teachers, Student Support Officers, and our administration staff, thank you for all your efforts over the course of 2021. We look forward to 2022 with energy and enthusiasm as we seek to further develop our SDL pedagogy and continued implementation of the Learning 2 Learn Framework and ultimately improve the learning outcomes for our students in this rapidly changing world, in order to achieve the OSG Vision to prepare life-ready students. We are privileged to have great staff here at OneSchool Global SA, team players who are in the profession for all the right reasons – the growth and development of our students!

Contextual information about the school

OneSchool Global SA is an independent, co-educational school which operates in a network of Brethren Schools nationally and globally. OneSchool Global SA has an enrolment of 84 students in South Australia. The campus is located in Aberfoyle Park, Adelaide.

Enrolment at the school is open to the children of all Brethren families and children of families who are willing and able to support the ethos of the School. The school has a rich academic program which is supported by an extensive ICT blended mode of teaching and learning. The School also offers a vibrant Co-curricular program which includes sport, music and community involvement.

School Ethos

At this School, students are encouraged to develop their full potential and acquire the discipline of learning how to learn, while upholding Christian teachings and beliefs.

The truth and authority of the Holy Bible and strong family values underpin the commitment of the School to provide quality in every facet of education – curriculum, teachers, facilities, management and discipline – in a safe and caring environment.

Values Statement

Integrity
uprightness, honesty and decorous conduct, governed by the Holy Bible;

Responsibility
for our actions, progress and the environment;

Care & Compassion
