A Message from key school bodies

Dr Jodi Gordon

District Principal

The 2022 school year was another successful chapter in the growing history of OneSchool Global South Australia. We continued to refine our practices and signature pedagogy, and have thrived in the ever-changing space of education. With challenges, it provides opportunities for growth, development, and self-reflection. Not only for the students but also for the organization of OneSchool Global SA. The students continued to perform well in our MAP (Measures of Academic Progress) and NAPLAN testing results, with our school receiving commendation for our literacy in Year 7 and Year 9 results. Our Year 12s also produced sound results, all obtaining their SACE but with room for improvement in our ATAR results for 2023. Congratulations to Sarah Duffield for receiving a Merit for her Research Project.

Our end of year Recognition of Excellence Ceremony & Year 12 Graduation Ceremony held on Thursday 9th December was a resounding success. It was great to acknowledge the outstanding successes of our students and farewell our Year 12 students as they move onto the next chapter in their lives.

Looking back....

Farewell...

Unfortunately, we had to farewell several of our teaching staff throughout the year. We would like to take this opportunity to thank Mr Brock Traeger for his service as District Principal in recent years. We also farewelled Mr Daniel Ryan and Mrs Annelise Hansen from OSG SA, and wish them all the very best for the future.

Acknowledgements....

We would like to take this opportunity to thank the 2022 Student Leadership Team, particularly for their support and commitment to our school in being the student voice. Our SLT should be proud that many of their ideas and teamwork helped shape the direction and positive culture of the school. Thanks also to the entire student body, it is pleasing to see our students try their best academically and support and drive the many events and aspects of school life.

We would also like to personally thank all the volunteers for their support in their many roles within the school. Our volunteers are here daily supporting the staff to ensure our school runs smoothly from work within the Canteen, transport on excursions, and the efforts of the CA team that work tirelessly behind the scenes to ensure the campus is operating at operative efficiency. On behalf of the professional team at OneSchool Global SA, I would like to say that we appreciate your all your support and we look forward to the ongoing support from parents and community members in 2023.

And to our staff – Teachers, Student Support Officers, and our administration staff, thank you for all your efforts over the course of 2022. We look forward to 2023 with energy and enthusiasm as we seek to further develop our SDL pedagogy and continued implementation of the Learning 2 Learn Framework and ultimately improve the learning outcomes for our students in this rapidly changing world, in order to achieve the OSG Vision to prepare life-ready students. We are privileged to have great staff here at OneSchool Global SA, team players who are in the profession for all the right reasons – the growth and development of our students!
