About OneSchool Global UK

OneSchool Global is a global school, with over 130 campuses in 20 countries, including cities such as New York, Paris, Sydney, Rome, Auckland, Copenhagen, Los Angeles and San Francisco.

With an innovative approach to learning, delivered in cutting-edge, technology-empowered physical and digital learning environments, OneSchool Global is preparing life-ready students who learn how to learn.

Our self-directed learning model places students at the centre of all that we do. We challenge traditional and dated pedagogy and embrace technology to deliver the best possible learning outcomes for our students.

OneSchool Global recruits and develops high quality teachers. Our teachers partner with our students in their learning and rather than being considered the 'sage on the stage', play a 'guide on the side role' to support students.

Our in-house Teacher Academy provides teachers with the training they need to be the best they can be. We provide teachers with the skills they need to be successful at OneSchool Global and skills that will make them highly capable and competent in teaching in a digital world.

OneSchool Global is a school that lives its values and is guided by the School's ethos. The School is generously supported via the donation of time and financial support from members of the Plymouth Brethren Christian Church.

OneSchool Global Ethos

At OneSchool Global, we are committed to a culture where students are encouraged to develop their full potential and acquire the discipline of learning how to learn while upholding Christian teachings and beliefs.

The truth and authority of the Holy Bible and strong family values underpin the commitment of the School to provide quality in every facet of education - curriculum, teachers, facilities, management, and discipline - in a safe and caring environment.

OneSchool Global Vision Statement

A global education ecosystem that develops life-ready students who learn how to learn and achieve.

To ensure our students are life-ready, we need to teach differently. To be life-ready in today's world, our students need to learn how to learn. To be life ready, our students need to develop independent and critical thinking skills, and skills such as teamwork and collaboration

It is these skills that form an aptitude base that allows a student to adapt. Most importantly, these critical skills are transferable. When industry changes, when entire fields of work and job types are no longer required, it will be the life-ready, critical thinkers who stand the test of time and find new ways to add value.

We are prepared to do things differently at OneSchool Global to deliver on this vision. We challenge traditional and outdated pedagogical models. Our learning centres, the way we embed technology in them, and ultimately our students, are a testament to this.

OneSchool Global Mission Statement

“Learning to Learn”

The School is committed to creating and delivering learning programmes that meet the educational needs of each student, and to nurture the attitudes and skills necessary for the continual learning and personal growth throughout life.

“Learning to Learn” means to use learning as a tool whereby students are equipped with the ability to think critically, process information perceptually, analyse data accurately, and evaluate situations intelligently in order that they fulfil their true potential.

OneSchool Global Values

At OneSchool Global each student, parent and staff member shall uphold the values of the School which include:

Integrity – uprightness, honesty and decorous conduct, governed by the Holy Bible,

Care and Compassion – kindness, consideration and generosity to all,

Respect – for all people, property, opinions and those in authority,

Responsibility – for our actions, progress and the environment and,

Commitment – to self-discipline and the pursuit of excellence.

Welcome Message

Welcome to OneSchool Global UK Northwich Campus

We're part of an organisation with a vision to provide a global education ecosystem that develops life ready students who learn how to learn.

We welcome students from Years 3-13 and are passionate about ensuring that what we do for one, we do for all. We provide a comprehensive range of curriculum options, as well as offering a high level of care and support for children with Special Educational Needs.

The campus benefits from exceptional facilities including two newly fitted out Learning Centres for both Primary and Secondary students. These centres are the main study hubs for our students and are equipped with a range of Learning Zones, resources and seating options to facilitate our students Learning to Learn needs. These areas facilitate the Self Directed Learning concept which is an incredible culture shift in both teaching and learning.

Success comes from teamwork and education here at Northwich is a joint venture, involving everyone - students, parents, staff, and governors. We have a talented, dedicated and committed teaching team who aim for excellence in teaching, alongside an outstanding range of opportunities beyond the classroom. To find out more about life at Northwich Campus please take the time to visit. We look forward to welcoming you.

Lead Campus Administrator

Our History

From our beginnings in Community homes starting in the mid-nineties, we have come a very long way to where we are now at OneSchool Global UK Northwich Campus.

The first campus was based in Sale, Manchester which ran until 2007. This was replaced in a move to the Mereside campus, based in Stockport which was opened in January 2008. The school was converted through a massive effort by the local community members, thoroughly transforming the run-down school into a new setting, perfect for our students.

Mereside saw the eventual addition of the Primary school later in December 2008. This building remained our home right up until 2019, through the change to Focus School Stockport Campus before becoming OneSchool Global.

The school is now housed across two adjoining buildings. One is the grand Hartford Manor, a former country house built in the 1700's. The building was created for the Marshall family, well known salt merchants in the Cheshire area. It subsequently changed hands between other industrialist families up until 1920 when it was sold off.

The second building is a former call centre and office building, which has previously housed British Gas and latterly, Euro Camp.

In 2018, we purchased the whole site and began transforming it into the bespoke learning environment we have today. The school opened as Northwich campus in September 2019, keeping the charm of Hartford Manor alongside the cutting edge educational development in the main school building. As a registered examination centre, OneSchool Global Northwich Campus gives each of its 113 students the opportunity to fulfil their potential with the high standard of learning reflected in the excellent results achieved in nationally accredited examinations.

The Global House System

The Global House System is based around the ethos of inclusion and encouraging teamwork.

It is designed to reward academic work, effort, sporting achievements and good citizenship. It is the role of the House System to embrace all students and provide a climate of success for all.

The Global House System consists of three houses each with an assigned colour as shown below. These houses are run globally throughout our affiliated schools, meaning that we can encourage teamwork with other regions, not just within our campus, thus enhancing our students' desire to strive for their best, due to a much wider area of healthy and constructive competition.

Each student is assigned to a House and will normally remain in that House for his/her duration at the campus. Many house events and competitions are run which link to learning and help foster both teamwork and self-directed learning skills. The Global House System encourages healthy participation in activities and is well supported by staff and student leaders.

Charitable Fundraising

At Northwich Campus the whole community is committed to helping those less fortunate than ourselves.

There is a strong, student-led culture for fundraising and charity at Northwich Campus. This academic year students have raised money for many charities. The majority of fundraising initiatives are student-led, with representatives from our student council coming up with ideas for school-wide events. Not only does each initiative raise hundreds of pounds for charity, but it also gives students valuable experience in organising and leadership skills.

Charitable donations made recently include:

- Christies
- Save the children
- Unicef
- Macmillan Cancer Support

“

The students are a super example of honest, determined and focused young people. It is a pleasure to teach at Northwich Campus and be part of the journey.

”

Our Curriculum

...wholly supports the School's ethos in promoting Christian values and provides a balance, ensuring students develop academically, aesthetically, morally and physically.

Northwich Campus has adopted the Curriculum Policy developed by OneSchool Global UK. The curriculum is designed to ensure that every student can realise their potential. The curriculum is assignment-based, enabling the self-directed ambition of the organisation to be fulfilled. All students follow a personalised and challenging curriculum.

Years 12-13

All of our students progress to the sixth form and are offered a broad range of curriculum options designed to meet the abilities and aspirations of all our learners.

Cambridge International A Level qualifications are offered in Art & Design, Design & Technology, English, History, Geography, Mathematics, Accounts, Law, Business Studies, French and German, and Global Perspectives alongside Cambridge Technical qualifications in IT, Digital & Creative Media, and Business, a range of Level 2 qualifications, and Autodesk Fusion 360.

Additional subjects include Physical Education and PSHE, while courses such as Chef Skills, LAMDA Speaking in Public, London Institute of Banking and Finance and Extended Project Qualifications are available to students.

Digital technology, including Zoom and Canvas platforms enable campuses to collaborate with other schools for subject delivery which enables students to study subjects that would not normally be economically viable

Xello and the Careers Advantage Programme also adds a unique and high quality vocational element to our curriculum which supports all students in gaining a better understanding of their career pathway and progression routes helping to ensure they are lifeready on graduation from OneSchool Global UK and excited about embarking on future post graduate qualifications.

Extra-Curricular activities are a strength of our school. Our students have the opportunity to collaborate on extra-curricular projects and activities at campus, regional and global level. Recent highlights including our termly Choir Festival, annual Public Speaking Competition and inter campus debating opportunities. Our extra-curricular offer is a key part of our curriculum and an area of continuous growth and development for OSGUK.

OneSchool Global Awards

The aim of the OneSchool Global Awards programme is to motivate students to achieve across a range of personal and academic qualities. It is a citation based reward system which acknowledges exemplary student behaviour in relation to our values and skills.

The main focus for awarding a citation is based on OneSchool Global Values
Integrity, Care & Compassion, Respect, Responsibility, Commitment.

The value is demonstrated through a OneSchool Global Skill
Academic Achievement, Leadership, Involvement in School Activities, Diligence, Management Skills.

Integrity

Career Advancement Programme

Bridging the gap between school and work; OneSchool Global UK offer a unique career advancement plan to all our students and this is proven to prepare them for the world of work:

What is CAP?

The Career Advantage Programme (CAP) provides all students with the opportunity to gain the skills and aptitude to achieve rapid success in their post-school careers.

CAP does this by:

- Providing Career Fundamentals and Business Foundations offered to all students in Year 12 and 13.
- Analysing the capability of each student professionally to ensure the student can effectively complete the courses.
- Sponsorship for students to carry out extra-curricular studies in the last two years of school.

The CAP curriculum

All students in Year 12 complete a Career Fundamentals course which is a global standard for employers. For CAP students, the diploma-type courses provide a theoretical and academic rigour which underpins the students' academic programme and the career skills-based study provides practical, real-world approaches to learning and helps them to develop skills and competencies required for lifelong learning.

Beyond the classroom

Why is CAP Important?

There is an increasing awareness globally that high school studies alone are not adequately preparing students for the modern workforce. The Career Advantage Programme is aimed at equipping our children with the necessary skills to bring positive benefits to our businesses from day one.

Important for students:

- improving their employment opportunities
- improving the potential of earning a higher income on graduation
- empowering rapid progress along their career path

Important for businesses:

- higher value employees that are useful from day one
- employees with an established work ethic; self-starters, self-finishers, self-motivators
- employees that understand the value of study and training

“The innovative approach to the curriculum, teaching and learning is what makes this school outstanding because it enables all pupils to make excellent progress and achieve their very best”

- Business Owner

Policies and Documents

Northwich Campus is committed to the safeguarding and protection of its students in line with national guidance, We endeavour to provide a safe and welcoming environment where all children are respected, safe and valued, as well as being underpinned by the following two key principles:

- A child-centred approach; for services to be effective they should be based on a clear understanding of the needs and views of children.
- Everyone employed and who comes into contact with children at Northwich Campus has a responsibility in relation to safeguarding.

At Northwich Campus we listen to students and maintain a child-centred approach to Safeguarding and Child Protection. We provide a safe environment for students both under and over 18, especially those who are considered vulnerable. At OSG Northwich we are encouraged to push the boundaries and challenge the status quo to find the most effective way to learn how to learn. The new school learning centre provides a range of different working environments so that each individual can match the task they want to complete with the appropriate zone. Students are well supported to persue their academic achievements, as well as encouraged to develop their different talents.

Student

The staff, the students and the volunteers from the community are what builds OneSchool's identity. Staff and students, alike, see the school as their place of work. Many of our classes are not taught, but directed by the students themselves, with the teacher there as a guide. This independence is not abused but seen as an opportunity, which students use to their full advantage. There is strong sense of team spirit and the school is an enjoyable place to be.

Student

OneSchool Global UK are innovative and lie at the cutting edge of evolving teaching methology.
